

Table game details

Players = 9-10
Skill level = Easy

Roulette

250cm

Croupier

125cm

Slightly smaller table available for house parties.

Description

A ball round a wheel with 0-36 numbers on. You bet on which number it will land on. Your croupier will happily explain the different bets to your guests.

Recommended - Any event

Roulette tables are found in every casino around the world, the wheel looks posh and fancy so good for the WOW factor.

Players = 9
Skill level = Easy

Blackjack

190cm

Croupier

110cm

Description

Sometimes called '21' it is the most popular casino game. It is similar to pontoon where whoever gets closest to 21 wins!

Recommended - Any event

Will work well at any event, Blackjack should be your first choice of casino game.

Players = 7
Skill level = Medium

Poker (5 card Stud / 3 Card)

190cm

Croupier

110cm

Description

The easiest form of poker where you play against the dealer. You get 5 cards each, best poker hand wins! You croupier will be happy to explain all the poker hands.

Recommended - Most events

Should be your 3rd table choice as it brings something different. Poker has recently become a really popular game in casinos.

Players = 10-12
Skill level = Really easy

Wheel of Fortune

240cm

Table to place bets

Croupier

170cm

Description

A great big spinning wheel with different colours and symbols. You bet on which colour or symbol it will land on.

Recommended - Large events

Best for large events having high capacity of players and a quick turn around, as it is a very simple game. Visually impressive with 2m tall wheel.

Players = 10-12
Skill level = Hard

Dice / Craps

250cm

Croupier

130cm

Description

A lively and loud game where you bet on the outcome of 2 dice. The hardest of casino games to understand however once you know the basics it can be the most exciting!

Recommended - Not next to the DJ

It does take a bit of explaining so as long as the venue is not too loud this can be a real crowd pleaser.

Players = 9-10
Skill level = Hard

Poker (Texas Holdem)

200cm

Croupier

125cm

Description

The most popular poker game where players play against each other.

Recommended - Small Parties

It is the type of game where 9 players will sit down and want to play for long periods meaning not much turn around of players.
